How to assemble your fortune teller

1. Cut along dotted line to remove instructions.
2. With white side of paper down, fold paper diagonally so that the corners match exactly. Crease fold. Unfold and diagonally fold the other way.
3. Open paper. With white side up, fold each corner to centre along pink lines to form a small square.
4. Turn square over. Fold each corner into the centre again. Crease.
5. Fold the square in half top to bottom so that the pockets face out. Crease and open. Repeat for the other side.

How to play your fortune teller

1. To open and hold, push your thumbs and first fingers into the pockets.
2. Have a person choose one of the four numbers.
3. Move the fortune teller in and out the number of times selected, then have the person choose one of the numbers that is showing on the inside of the fortune teller.
4. Once again, move the fortune teller in and out the selected number of times. When you finish, have the person choose one of the four visible numbers.
5. Open up the flap they choose and read their fortune!
