The Canadian Cancer Society (CCS) is grateful for your gift of securities. Under current tax regulations, your donation of publicly traded securities is exempt from capital gains tax **only** when you transfer the securities to the charitable organization. A charitable donation receipt for income tax purposes will be issued based on the closing price of the share on the date the transfer will be issued.

To donate publicly traded securities follow these simple steps:

Please instruct your broker to complete the transfer of the securities to the Society and send to:

- Eddie Keung, CCS's broker
Eddie.Keung@rbc.com
- Jean-Martin Bailly, Manager
jmbailly@quebec.cancer.ca

Our brokers will work together to transfer the securities.

A modest commission may be charged by our broker according to the value of the securities, but it will not affect the value of your tax receipt.

For any questions about gifts of securities, please contact Jean-Martin Bailly.
